

Home Fire Evacuation Plan

Use this graph to map out your home's floor plan and draw your fire evacuation route.

Always Remember

- Evacuate your home and go to your designated meeting spot **BEFORE** you call **9-1-1**
- **ALWAYS** have an alternate route planned
- **NEVER** go back inside after evacuating from a fire
- Avoid smoke- stay low while evacuating your home
- Test your smoke alarms
- Practice your 2-minute drill

Our meeting spot is:

KEY:

→ Escape Route

---→ Alternate Escape Route
